A PRODUCT OF NEW ZEALAND

The Agrispred® 3 point linkage Bale feeder is revolutionary in its self loading compact design.

This Bale feeder is able to load itself without any complicated actions and can easily transport two bales at once.

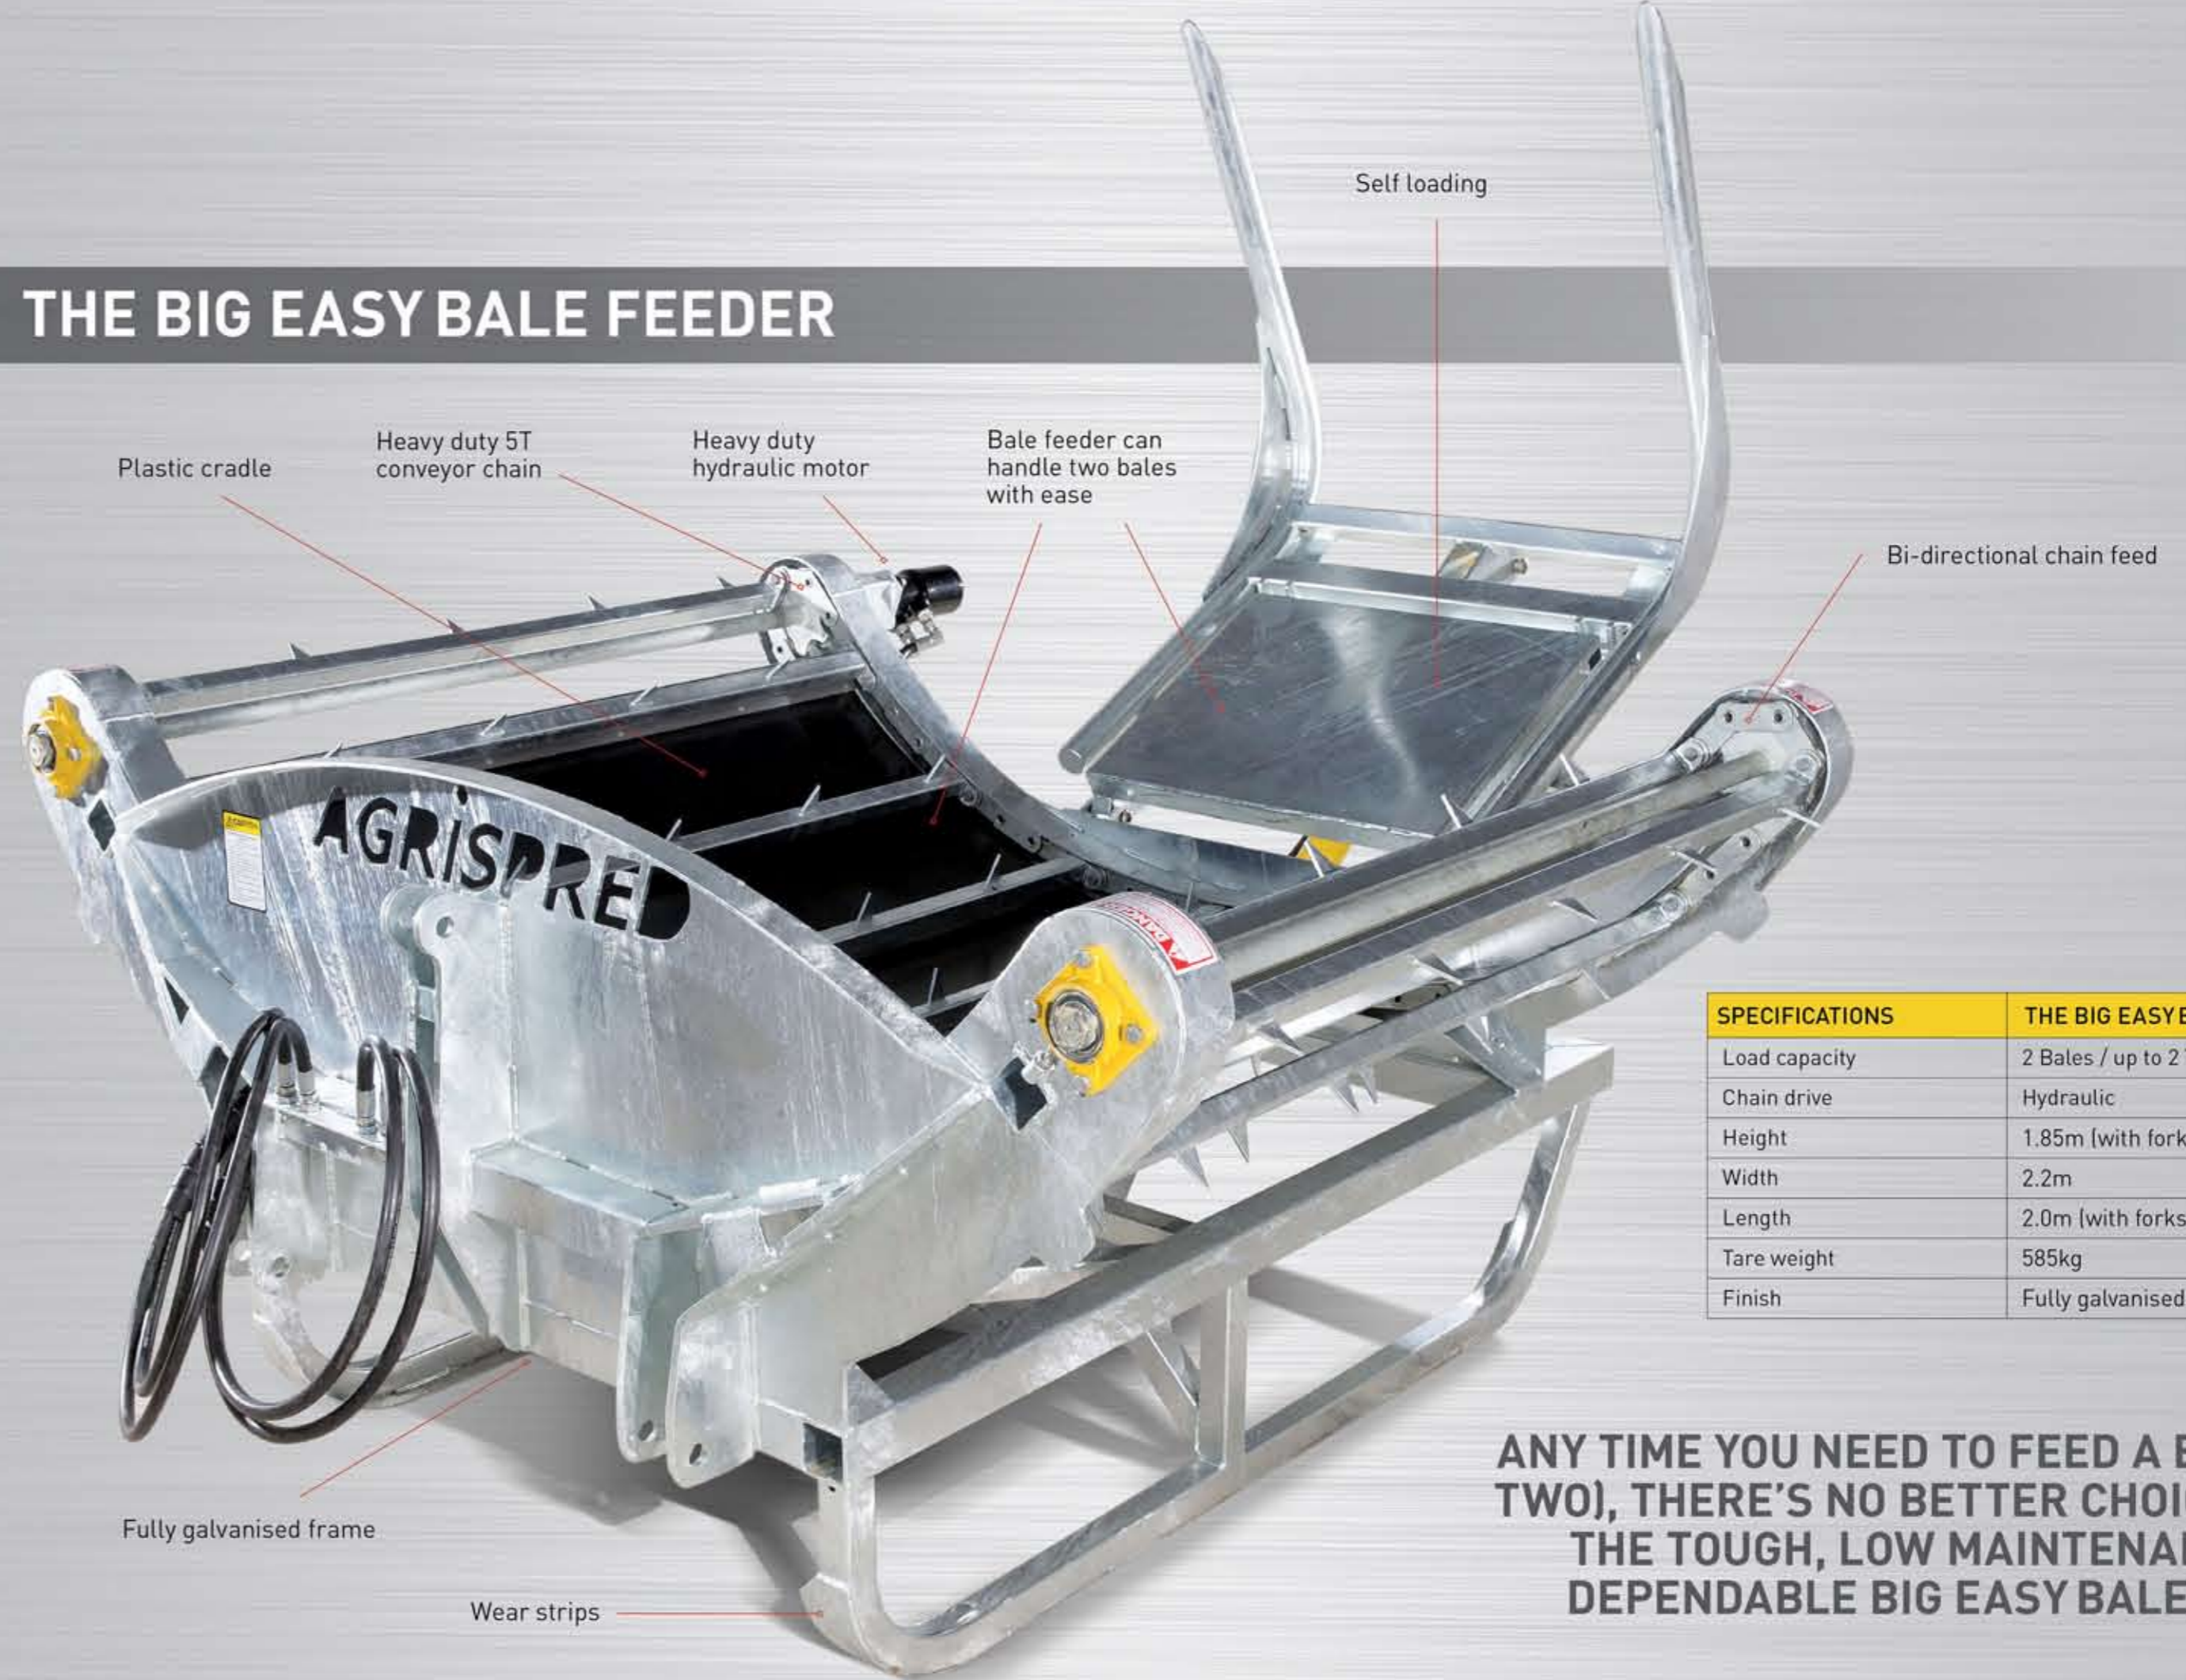

The 3 point linkage, fully galvanised Agrispred® Bale feeder is a smart choice that will provide many years of trouble free use on your farm.

AGRISPRED® 3 POINT LINKAGE FEATURES INCLUDE:

- Large table
- Heavier 5 tonne conveyor chain
- Left and right feeding
- Fully galvanised frame
- Plastic cradle bed
- Two bale capacity
- Self loading
- Easy to use
