AGRISPRED® BALEBUG®

A BUG'S LIFE

THE BALE
FEEDER
THAT'S
BORN TO
DELIVER

A PRODUCT OF NEW ZEALAND

Agrispred BaleBug® is the versatile, superior, compact feeder that takes the hassle out of bale feeding every time.

The BaleBug® includes a host of features that set the benchmark for bale feeders today. It can be towed by tractors or other vehicles leaving a minimal environmental as well as soil footprint.

The specially designed PLC unit is the heart of the BaleBug® and controls all hydraulic functions. Your Agrispred BaleBug® is a smart choice that should provide many years of trouble free use on the farm.

AGRISPRED® BALEBUG® FEATURES INCLUDE:

- Large table
- Heavier 5 tonne conveyor chain
- Left and right feeding
- Full remote control function
- Galvanized frame
- Plastic guarding
- A powerful, reliable 14hp engine
- Grippy 8ply tyres
- Two bale capacity
- Low centre of gravity
- Easy to use

ANY TIME YOU NEED TO FEED A BALE (OR TWO), THERE'S NO BETTER CHOICE THAN THE TOUGH, LOW MAINTENANCE AND DEPENDABLE AGRISPRED® BALEBUG®
